TURNWELL OF TAMPA EMERGENCY SERVICES POLICY

Turnwell Mental Health is an **outpatient psychiatric clinic**. Services are intended for **non-emergency mental health care**, including evaluation, diagnosis, and treatment on a scheduled basis.

- Turnwell Mental Health does **NOT provide emergency services**
- Turnwell Mental Health does **NOT provide crisis intervention or crisis management**
- Turnwell Mental Health is **not staffed or equipped for immediate psychiatric emergencies**

If you are a patient and experience an urgent (but non-emergent) issue, you may contact the clinic. The clinic will make reasonable efforts to accommodate urgent needs, typically within **1–3 business days**.

If your symptoms worsen, become unsafe, or require immediate attention, you will need to seek care from appropriate emergency resources rather than relying on this clinic.
